Dear Friends of the Highlander Marching Band:

The West Milford Highlander Marching Band is sponsoring our 20th Annual Military Concert and Tattoo on Saturday, November 9, 2019 at the West Milford High School, West Milford, New Jersey.

Directed by Dr. Brian McLaughlin, the 2019 West Milford Township High School Highlander Marching Band consists of approximately 120 members, including musicians, color guard and pipe corps members. The Highlander Band strives for a high level of musical excellence and is always a pleasure to observe. Our band is unique as we currently have over ten bagpipers, who play both an instrument and the bagpipes. The members of the West Milford High School Highlander band are truly the "Sights and Sounds of Excellence".

This year the Highlander band is proud to honor our Emergency Responders and includes performances from several pipe and drum bands as well as the Clifton Marching Mustang Band. These talented musicians come from all over the New Jersey/New York area. Money raised by this event will be used for the expenses of the Highlander Marching Band.

We are offering advertisement space to be included in our program of events, which will be given out at our Military Tattoo. The prices for the advertisements are listed on the attached form. If you are interested in advertising in our program, kindly fill out the attached form **and return with payment by September 26, 2019**. Also included in this packet is a flyer of our event, please feel free to display in your place of business.

**Thank you for supporting the West Milford Highlander Band!**

**Sincerely,**
